ThinkPad Yoga 11e

A CLASS ACT, BOTH IN AND OUT OF THE CLASSROOM

The ThinkPad® Yoga 11e is an extra-durable, convertible laptop built for education. With up to 8GB DDR4 memory and SSD storage, it is powered by 7th Gen Intel® Core™ processors. The 360° hinge and a 10-point multitouch display that accommodates just about any learning style, makes it the perfect choice for school and home. It comes with an optional on-board Active Pen that is compatible with Microsoft Windows® Inking tools, introducing new ways of learning and interacting with technology. ThinkPad® Yoga 11e laptops are tested against 12 military-grade requirements and pass more than 200 durability tests. This tough device is built to withstand bumps and drops from up to 90 cm—about the height of a school desk. The ThinkPad® Yoga 11e battery lasts up to 12 hours* which means no charging hassles for a full day of classes and more!

FEATURED ACCESSORIES

Kensington® Microsaver 2.0 Cable Lock (4XEON80914)

Engineered to be the smallest, strongest lock for laptops and other devices, the MicroSaver DS 2.0 represents the next generation of laptop security. The MicroSaver DS 2.0 was developed using strict specifications, patented technologies, and rigorous testing against tough environmental conditions, and can stand the test of time in a smaller, compact size without compromise.

ThinkPad® USB Laser Mouse (57Y4635)

The ThinkPad® Laser Mouse offers improved tracking accuracy and smoother navigation. It works on many surfaces without a mousepad. With integrated wheel scrolling device and its full-size shape, it fits perfectly in either hand.

ThinkPad® Active Backpack (4X40K41705)

Lightweight, water-resistant and tear-resistant, this backpack

has plenty of storage – even for a smaller secondary device. It comes equipped with smartly designed features: easy-to-grip rubber zipper pulls, an air-mesh back panel and shoulder straps to keep you cool and comfortable, and padded soft-lined pockets to protect your devices from scratching and impact.

RECOMMENDED SERVICES

Lenovo™ offers a comprehensive portfolio of services to support and protect your ThinkPad® investment—so you can focus on your work, not your IT.

Premier Support

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems.

Accidental Damage Protection (ADP)

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This fixed-cost, fixed-term protection plan minimizes unexpected repairs for predictable budgeting and provides significant savings relative to the cost of non-covered repairs.

Warranty Extensions

Get a fixed-term, fixed-price service solution to match the lifecycle of your device and fit within your budget. Purchasing an extension at the time of a system purchase saves 15-30% over the price of purchasing it post-warranty.
