Laptops, Desktops, Tablets on the Minnesota Computer Contract from Nor-Tech

Greater Minneapolis-Based Nor-Tech is offering Laptops, Desktops, Tablets on the Minnesota Computer Contract

People Friendly Technology

MINNEAPOLIS May 25, 2021 -- **Nor-Tech**, headquartered in Burnsville, Minn. for more than two decades, is the preferred reseller for laptops, desktops, tablets and more on the Minn. State Computer Contract (Buy.IT). Nor-Tech offers products from HP, Lenovo and more and is also a Lenovo Authorized Service Provider (ASP).

At Nor-Tech's dedicated [contract website](#), Minnesota State Agencies and members of the Cooperative Purchase Vendors (CPV)

program can buy the following products: tablets, portable computers, ruggedized portable computers, desktop computers, monitors (displays), computer accessories and cables, tablet/laptop cases, general computer services and warranties

Advantages of working with a local Buy.IT contract holder include fast repair with little downtime; fast delivery; and a complete personalized experience. In addition to being local, Nor-Tech offers many advantages over other Buy.IT contract holders, including an expansive warehouse that gives buyers the ability to take delivery when it is convenient for them.

Nor-Tech always puts customers at the center with technology that is:

- Easy to deploy and intuitive to use. Access to resources, information and functionality are just a couple of clicks away.
- Cost-Effective and Powerful. The laptops, tablets and desktops they offer have the most power, features, flexibility and expandability for the price.
- Sturdy: The technology is built to survive the day-to-day mishaps that occur at work, on the road and in classrooms. When necessary, repairs are local with little downtime.
- Backed by No Wait-Time Support: Because Nor-Tech knows everyone's time is valuable, they avoid putting clients on hold.

Nor-Tech's contract-specific ecommerce site is located at: <https://state.nor-tech.com/>. Find out more about Nor-Tech's advantages for Buy.IT purchasers at: <https://www.nor-tech.com/minnesota-state-contract/>. Nor-Tech's contract number is 160318.

Nor-Tech is on CRN's list of the top 40 Data Center Infrastructure Providers along with IBM, Oracle, Dell, and Supermicro and is also a member of Hyperion Research's prestigious HPC Technical Computing Advisory Panel. The company is a complete high performance computer solution provider for 2015 and 2017 Nobel Physics Award-contending/winning projects. Nor-Tech engineers average 20+ years of experience. This strong industry reputation and deep partner relationships also enable the company to be a leading supplier of cost-effective Lenovo desktops, laptops, tablets and Chromebooks to schools and enterprises. All of Nor-Tech's high performance technology is developed by Nor-Tech in Minnesota and supported by Nor-Tech around the world. The company is headquartered in Burnsville, Minn. just outside of Minneapolis. Nor-Tech holds the following contracts: Minnesota State IT, GSA, University of Wisconsin System, and NASA SEWP V.
